Land Trust Progress- We should be receiving \$29,000 for this school year. That amount should be finalized by October 1, 2016. The figure is based on school enrollment. Our interventionists (who are paid with our Land Trust money) will begin working with students in the next few weeks. They will work in small group setting with students who need additional instruction in reading and math.

SCC Election Process- BJ will send out a form for people to fill out if they are interested in serving on the SCC. We need to have it posted for 10 days. Parents interested will send a small biography to Roberta and she will send all information out to every family for a vote. The winners will be announced after voting takes place. Letter will go out on Friday, September 2, 2103. The open positions will be posted 10 days and then ballots will go home around September 13th. New members will be announced around September 16th.

By the end of the year the mural would be done.
