

**School Community Council Minutes
Canyon View Elementary
October 17, 2017**

Welcome & Introductions
Approval of Minutes/Follow up
Motion: Carolee MacKay
Second: Raelynn Williams

Business:

- PACE School Grade Presentation
 - 205/300 Proficiency Total
 - 257/300 Growth Total
 - 77% A rating
 - Great improvement in Science and Mathematics
 - We are on a positive progressive upward trend
 - Our school has made enormous progress, 3rd in the district in growth
 - Above in growth and achievement
 - Most of our points from growth- teachers are helping students get from where they are to a higher standard.
- CSIP DATA Presentation – Fall Benchmark Updates
 - Currently at 76% proficiency in Language Arts
 - We discussed how to bring students with IEPs up to benchmark. They are not showing as much growth as expected.
 - Student growth data presented in each grade
 - Math Student growth: Computation, concepts and application tests
 - Explained how tests are administered and what the tests mean. Teachers help students master standards and

- Motion: Rayna
- Second: Carolee Mackay
- Unanimous voting all in favor

- Change in SCC for November and December because of holidays. No December Mtg and November mtg for the 14th
- Motion: Raelynn Williams
- Second: Lori Carter
- Cancel December meeting
- Motion: Carolee
- Second: Raelynn

Next Meeting November 14th @ 4:30 PM

reach benchmark.

- SCC Recommendation - Can teachers make packets to help parents know what they should know for the next grade? Mrs. Draper thinks this would be a great idea, not only for Canyon View, but district-wide. This would be a significant time commitment to compile, but worth it.
- Having sample RI test type questions would help students prepare at home as well.
- Parents would also like Math word problems they can practice.
- Examples provided for parents of what they should be looking for so they know what their kids will be tested on (such as not skipping words etc.) would be helpful.
- Let parents know what the scores are so they know where their child is in relation to the rest of the grade.
- Are we going to share this data with the parents? Mrs. Draper said she will share the state scores in a weekly email.
- Update by Safety Subcommittee – School Inventory
 - Rayna is determining what teachers need in each other their backpacks and buckets
 - Make a list/inventory so teachers can have necessary items by the beginning of the year
 - We will wait to make the Ziploc bags
 - Flyers will be going out for Tuesday October 24th Emergency Preparedness Event
 - Emily will be a volunteer. Kierstin will show the map later

Action Items:

- Change March 20th SCC Date due to Statewide Republican & Democratic Caucuses
 - Change SCC meeting from March 20th-March 13th
