

Canyon View Elementary PTA Meeting
February 3, 2017
9 am

Members Present: Rayna Drago, Amber Mozelewski, Raelynn Williams, Dan Mackintosh, Micki Harris, Cristen Barlow, Emily Weigel, Cindi Meiner, LeeAnn Earhart, Shannan Erickson, Laurel Miller-Jones, Julie Miller, Marcia Fuller Durkin, Lisa Rowley, Lindsey Kraatz, Camila Ellington, Rozalynn Hite, Rebecca Schocker, Carolyn Armstrong

President

-Teacher of the Year is coming up and you can submit nominations to Mr. Weller or Rayna by the end of the month.
-PTA Day at Capitol coming up on Feb 22.
-Vote in Nominees for President-Elect, Secretary, and Treasurer: Rayna moved to nominate candidates, Raelynn for Secretary and LeeAnn for Treasurer. We do not have a president-elect. Candidates were approved.

-Chess week - We discussed shortening it to 2 days and letting all kids come on both days. The days would be Feb 28 and March 1. We have gift cards to hand out and a drawing for all kids who beat a dude. Limiting it to 2 days will make it easier to get volunteers.

-Dude's Lunch - March 17

An official day for dads, grandpas, uncles, etc. to come eat lunch with their kids, can stay for multiple lunches. A fun St. Patrick's Day event. Mr. Weller will sit with kids who don't have a dad. Dads need to bring their own lunches and can bring in a special lunch for their child if they want.

Treasurer

We submitted a tax refund request. We got our tax refund. LeeAnn has copies of the budget for members to view our expenses.

Hospitality

Conferences Feb 15,16

Rebecca is working with Muranda and Alex on teacher dinners for the conferences. They will probably do Mexican one night and chicken salad sandwiches the next night. They will send out a sign up genius.

Book Fair

Sign up genius will be going out for book fair volunteers.

Party Coordinator

Valentine Parties, Feb 14. Raelynn is planning on ordering frosted sugar cookies from Smiths. Teachers decide what time the party is for their class.

Newsletter

Cub corner, Valentines Day theme for 4th graders.

Volunteer Coordinator

Cultural Night - April 18, from 5:30-7. We discussed food truck options and are going to look into having trucks that will donate part of their proceeds back to the school. Micki is working on scheduling them.

The pen pal discussion will be tabled until the future because the response wasn't very good.

4th grade is doing Russia, and the Kindergarten might do France.

Amber suggested a Pacific Island focus for one of the grades because the kids are into Moana.

Marta encouraged the grades to utilize parents and grandparent from other countries within the grades and focus on those countries. Head grade parents should meet with the teachers and figure out the timeline and what needs to be done. By the next meeting each grade should have chosen their country and have a plan for what they are going to do.

Student groups and the choir can perform in the gym, along with outside groups, possibly.

We will have an article in the Cottonwood Heights newsletter advertising and we will have the food bank barrels to collect canned/boxed food during the event.

School Garden

Still waiting on bids to submit to the district for approval. Preliminary reports show the design will be very expensive to construct. Once the district approves the plant, all funding and continual support must be provided by the PTA and

parents. Because we can only do one fundraiser per year, we need other ways to raise funds or get all materials donated. We decided we needed a comprehensive list of all supplies and skills needed in order to secure help. We will follow up with Marianne, who wasn't able to attend this meeting.

Box Tops

Boys vs Girls again - due on the 17th

Camila will send out an announcement on who is ahead at the beginning of next week.

Other

-Jersey Mikes, Feb 6-10. All students received 3 cards for a free sub to use with a minimum \$2 donation. You can go anytime during the week.

-LEGO Batman movie - Feb 11, it seats 231 and we have 217 sold.

-Girls on the Run starts Feb 21. It's for 3rd-5th graders, on Tuesdays and Fridays. Rayna will send out info on how to be a running buddy. The race is on May 20.

-Violins for orchestra

Should the PTA buy one at the end of the year?

Emily know someone who might be able to donate a couple.

Open Floor

Raelynn announced the students moving on to state Reflections: Talmage Howe, Korbin Brammer and Sadie Maxfield.

We also have 3 teams moving on to region in the science fair.

Dan Mackintosh won the drawing!
