## INTRODUCTIONS:

BJ Weller- Incoming Principal. The past 3 years he was the assistant principal at Midvale Middle School. He has also worked in the Granite School District. Discussion of possibly having an assembly to introduce Mr. Weller to the student body.

## BUSINESS:

CSIP- Mr. Shaw read the School Land Trust plan. We are expecting roughly \$23,000 from the Land Trust this year. We will be using the money to pay for aides in our reading program for Tier 1 and 2 students. Each aide is paid \$6,000 per year. With any extra money we can extend the hours of the aides. CSIP Goal- 80% for reading. Teachers are focusing on OTRs (Opportunities to Respond). We are also setting up an additional computer lab for students. Everyone present signed off on the School Land Trust.

Other Business- Cindy brought up the new student evaluation of teachers. This is a new portion of the teacher evaluation for this school year. Brent discussed how it worked and how it differed between grade levels.

Absenteeism was brought up. Mr. Shaw has found that a group of families do have very high absenteeism rates. He discussed with the group what the district's policy is for dealing with absenteeism. The group discussed forming a sub-group of SSC that deals strictly with absenteeism. Crystal Humphreys can head that committee.

Motion to set up committee for absenteeism prevention headed by Crystal Humphreys made by Jennifer Welding, Second by Cindy England. Motion approved unanimously.

## ASSIGNMENTS:

Brent Shaw will gather absenteeism stats from local schools with similar demographics.

All members have been asked to email a testimonial about participating in the SSC to Brent Shaw by May 1, 2015.

Crystal will get an outline drawn up for the absenteeism committee.
