Shaw

Motion to be approved – APPROVED

UNANIMOUSLY

## BUSINESS:

Safe Walking Plan- Review of Safe Walking Route by Brent Shaw. All remains the same as last year. The only addition is widening of sidewalk and removal of grass along the drop off lane in the parking lot on the west side of the school. Review of SNAP map. Discussed extending parking lot into the playground. Write proposal for this project using the capital outlay in the spring.

Motion to approve Safe Walking Plan by  
Crystal Humphreys and 2<sup>nd</sup> by Heather Logan.  
Motion approved unanimously

Roberts Rules- Discussion of which rules of procedure we want to follow as a School Site Community Council.

Motion to keep simple Roberts Rules as explained on the bottom of agenda by Jen Welding and 2<sup>nd</sup> by Brent Shaw  
Motion approved unanimously

Review Bylaws- Council can review bylaws on website and we can make changes as needed.

Other Business-What are we doing as a school regarding our test scores discussed last month? Brent discussed PLC meetings that teachers have. There are new evaluations of teacher's performance in place due to state laws that are currently being put into place. Tier 2 and PLC meet every week. Child study team has been put into place this year. This group helps teachers assist children who are struggling. We are looking at children that are lower individually to see their individual progress. We are also looking at children that have recently moved in to the school mid school year individually and making individual game plans for those children.

Discussed chronic absenteeism again. Can we compare our rate of absenteeism with other schools? Brent will look into reason for absenteeism and how we compare to school with similar demographics.

#### ASSIGNMENTS:

Brent Shaw will look for trends in our absenteeism.
