Josh Miller, Parent Council Member  
Heidi Maxfield, Parent  
Cindy England, Parent Council Member  
Amanda Clark, Parent Council Member  
Heather Logan, Employee Council Member  
Amber Tuckett, Employee Council Member

### APPROVAL OF MINUTES/FOLLOWUP:

Motion by Cindy England and 2<sup>nd</sup> by Jeremy Johnson  
Motion to be approved – APPROVED UNANIMOUSLY

### BUSINESS:

#### **SCC Training-**

School Board Member Amber Schill stopped by and congratulated us on our completion of SCC training.

#### **Internet Safety Week Plan- Jennifer Davis**

Our internet safety week will be 2/1/2016-2/4/2016. There will be presentations during parent teacher conferences so that parents can become more informed about internet safety issues with children.

#### **Land Trust**

The changes to our plan were approved by the district. The teachers attended training according to the changes in our plan. Total allocation for this year is \$30,510.00. We cannot carry over more than 10% of this year's money to next year. We are on target to keep our interventionists working through the end of May.

#### **Review of School-wide Data-**

Mr. Weller reviewed the school wide data from Fall and Winter testing. We reviewed math and reading scores for all grades. Some grade levels are at our school wide goal of

80% or higher above benchmark. The results show progress and prove that our interventionists are making a difference.

**Safe Walking Routes-**

We are keeping the same safe walking route as we had in the fall. We have requested that the city paint crosswalks from 3 streets that connect with Bengal along that route. We are also asking for digital display speed limit signs along Bengal as you approach the school in each direction to help prevent speeding in front of the school. We have asked the police department to patrol more often on Titian Way. Parents park along that street and block the crosswalk which makes it dangerous as kids cross. Mr. Weller has also spoken to the district about expanding the parking lot into the area where the basketball courts are currently located.

**Other Business –**

Mr. Weller will ask that parents not use cell phones while in the school parking lot in the weekly email.

Mr. Weller reviewed the information and feedback he received from the surveys that the district sent out to all parents. We received about 120 surveys back. There was positive feedback about the staff, communication and programs that are offered at the school. Areas of concern included safety and differentiated education and parent/teacher communications.

**ASSIGNMENTS:**

None at this time.

**ADJOURN: NEXT MEETING: February 16, 2016 @ 4:30 PM**
